

FOR IMMEDIATE RELEASE.....

CRYSTAL ACCENTS

CRYSTAL ACCENTS makes one gallon of colorful crystals for creating centerpieces, floral arrangements, gifts and more.

JRM Chemical's line of **Crystal Accents** water storing crystals that can be used to create dazzling effects for centerpieces, gifts and more. Each package of **Crystal Accents** mixed with water, "grows" one gallon of colorful, non-toxic crystals. Place crystals in clear bowls, vases or other containers as a base for silk flowers or candles. Ideal for home décor and special occasions such as holidays, weddings and birthdays. Moisture resistant accents such as shells or other small objects may be layered with the crystals to match a party's theme.

Crystal Accents is available in ten colors and is environmentally safe. Packages are tamper-evident and color coded. Merchandising options include: pre-packaged free-standing floor merchandisers complete with four color "Gift Making & Decorating Guide" brochures; compact shelf merchandisers pre-loaded with 10 each of nine colors and preloaded clip-strips with a 12 pack assortment. Take-1 brochure holders are also available.
